**Keywords:** phylogenetic signal, effect size, Pagel's lambda

**Short Title:** An Effect Size for Phylogenetic Signal

**Author Contributions:** DCA ...EKB...; all authors contributed to all parts of this manuscript.

**Data Archiving:** Data will be made available on DRYAD upon publication.

**Acknowledgments:** We thank XXX for comments on drafts of this manuscript; ..... This work was sponsored in part by National Science Foundation Grant DBI-1902511 (to DCA).
